CBP-2019-059879

Dear Emma Best:

This notice acknowledges receipt of your Freedom of Information Act (FOIA) request to U.S. Customs and Border Protection (CBP) received on 06/13/2019 in which you are seeking copies of emails sent to or from the director's office as well as their chief of staff and executive director containing any of the words between January 1, 2018 and the present: damn, damnit, goddamn, goddam, goddammit, webcomic, hurt, accuse, accused, allege, alleges, alleged, disgrace, disgraced, worry, worries, worried, lost, perjury, perjured, lie, lies, lied, 1001, 1621, game, marijuana, drug, activist, activists, riot, soda, reward, prize, save, kill, decimate, punish, punishment, penalize, penalized, shred, wipe, erase, delete, bastard, bitch, bitched, bitching, and dessert.

Please clarify, do you wish to receive emails from the Commissioner's office rather than the Director, and Executive Director, as there are Directors over several different offices in CBP. A search of this breadth with the amount and type of search terms would make this request extremely overburdensome. Please advise within 10 working days (by June 28), so we may continue processing your request.

Please use the following unique FOIA tracking number CBP-2019-059879 to track the status of your request. If you have not already done so, you must create a FOIAonline account at <https://foiaonline.gov>. This is the only method available to check the status of your pending FOIA request.

Provisions of the Act allow us to recover part of the cost of complying with your request. We shall charge you for records in accordance with the DHS FOIA regulations outlined on the DHS website, <https://www.federalregister.gov/documents/2016/11/22/2016-28095/freedom-of-information-act-regulations>. By submitting your request, you have agreed to pay up to \$25.00 in applicable processing fees, if any fees associated with your request exceed this amount, CBP shall contact you; however, the first 100 pages are free.

Due to the increasing number of FOIA requests received by this office, we may encounter some delay in processing your request. Consistent with 6 C.F.R. Part 5 §5.5(a) of the DHS FOIA regulations, CBP processes FOIA requests according to their order of receipt. Although CBP's goal is to respond within 20 business days of receipt of your request, FOIA does permit a 10-day extension of this time period in certain circumstances pursuant to 6 C.F.R. Part 5 §5.5(c).

CBP's FOIA Division is working hard to reduce the amount of time necessary to respond to FOIA requests. Currently, the average time to process a FOIA request related to "travel/border incidents" is a minimum of 3-6 months. We truly appreciate your continued patience.

For additional information please consult CBP FOIA website please click on [FOIA Act Resources](https://www.cbp.gov/site-policy-notices/foia) or visit <http://www.cbp.gov/site-policy-notices/foia>.

Sincerely,

U.S. Customs and Border Protection
